DOING THE IMPOSSIBLE

# ABOUT KALINGASTONE

- For the first time in the history of engineered stone in India, CMC conceptualized and launched a brand with around 150 different varieties globally.
- Launched in 2009 is a Composite Marble and Quartz range called KalingaStone.
- In 2010 it was awarded the “Best Innovative Product” by the Indian Institute of Architects.
- Kalingastone was awarded the “Indian Power Brand” in the Marble and Stone category in 2013.
- We export to more than 66 countries across 6 continents.
- We have a strong and widespread sales and distribution network in India and across the world.
- Kalingastone products are a part of reputed international projects like the “MTR Station” in Hong Kong and the “Shenton Way Station” in Singapore.

# MANUFACTURING CAPACITY

- The Kalingastone factory is a state-of-the-art plant spread over 300,000 sq. mt
- Production Capacity (per annum): 25 million sq.ft. of Composite Marble 8 million sq.ft. of Quartz
- The factory is equipped with the worlds latest polishing machines from SIMEC (Italy) that have 36 polishing heads to impart over 85% glossiness.
- A large block gantry ensures timely supply to small scale and large scale projects.

# KALINGASTONE MARBLE

- Kalingastone's Marble range has comprising of more than 54 Marble products
- Kalingastone Marble products can be used as flooring, steps, counters, interior cladding, exterior cladding, window sills and door jambs
