FABULOUS CRAFT OF NATURE

Architecture

The Rolling Stone is a thin layer of stone in two types of finish polished matt, polished glossy and in sizes like 300x600, 600x600, 600x1200 mm which fits in the customer's modern tiling requirement.

The Rolling Stone applied to a building or other structure made of a material other than stone. The Rolling Stone applied to concrete and steel buildings as part of their original architectural design.
