

Designs of Palazzo collection has been inspired from the old traditional tiles widely used in many floor areas in Palaces. The tiles as such in old days was considered a luxury since it was made in Italy only by few artisans and that too most of the tiles was hand made and hand painted.

The designs are modified to make it contemporary at the same time keeping the old tradition of Palacial designs.

The collection is in size 30x30 cm., which is the most unified size for all kind of application areas which includes residential, commercial and recreational use.

Choose the one you like the most from the collection for your design need.
